

HIGH FIN DENSITY HEAT SINKS

The high fin density increases thermal performance of this product giving the designer high cooling capacity in a small package. Available in three basic sizes and a variety of finishes. Extremely low cost per watt.

CH6001 X= 1.625" Fin Height = 1"

CH6002 X= 2.625" Fin Height = 2"

CH6003 X= 3.625" Fin Height = 3"

CH6004 X= 4.625" Fin Height = 4"
